In accordance with IDPH, IHSA, and IESA guidelines, the WCUSD #15 Athletic Department has developed the following guidelines for all home events that will occur during remaining 20-21 school year. It is our goal to hold all scheduled contests for our student-athletes. In order for this to occur, we need the full cooperation of visiting schools, spectators, athletes, coaches, and officials with the requirements that are listed below. Please understand that requirements to conduct athletic events may change and we may be required to change our procedures for hosting events. If there are any changes to these procedures, we will communicate them as quickly as possible.

- It will be the responsibility of the visiting school to certify that their athletes and coaching staff are COVID-19 symptom free prior to arrival.
- All visiting schools must follow the guidelines that have been set forth by the IDPH, IESA, and IHSA in regard to participating in athletic contests. This includes coaches being masked at all times, players wearing masks as per their sport specific guidelines.
- All fans who attend contests must self-certify that they are COVID-19 symptom free prior to arrival.
- Indoor seating capacity will be set at 25% for each facility:
 - o Dave Root Court at Williamsville High School: Approximately 270 fans
 - o Main Gym at Williamsville Junior High School: Approximately 135 fans.
- For junior high events, fans will enter the facility at the fine arts entrance, located in the back of the junior high.
- For high school events, fans will enter the facility at the main entrance of the high school, located in the front of the building.
- Individuals that reside in the same household will be allowed to sit together at events they attend.
- Fan attendance will be allowed in this capacity at our indoor events as long as our region remains in Phase Four. If we move to Tier One, no spectators will be allowed.
- Fans should not arrive any earlier than fifteen minutes prior to the scheduled start of the contests.
- Parents should not drop off children to be left unsupervised for any event. Parents will be expected to supervise their children and ensure they are following all guidelines.
- Once fans enter the facility, they may sit in the bleachers opposite of the team benches and scorer's table and adhere to all social distancing guidelines.
- Spectators will be required to wear a mask while they are in any WCUSD #15 facility.
- Concessions will not be available, but guests of athletes may bring in bottled water.
- Once the student-athlete that you are watching is done competing, we ask that you exit the facility as quickly as possible.
- Contest officials must wear masks in accordance with IHSA and IESA guidelines.
- Due to locker rooms not being available, all athletes will be expected to arrive dressed and ready to compete, with the exception of their game shoes.

We will also be streaming every home event for the following indoor sports:

- Junior High Girls Basketball
- High School Volleyball.

If you would like to watch any of these events, you can purchase a subscription to Bullets TV on the NFHS Network, by visiting www.whsbulletstv.com. A majority of away events will be broadcast as well. We will post the location of each broadcast on the day of the scheduled event on Twitter; you can follow us @wcusd15sports.

We hope that this information will allow you to prepare for your time with us as at WCUSD #15 during the remainder of the school year.

Sincerely,

Adam Eucker
District Athletic Director
