Support the Growth of our Community's Band Program

Did you know that each year there are students in our own district that want to be a part of our successful band program, but cannot afford to purchase or rent their first instrument? There is a way that our community can help. We are launching an instrument drive aimed at helping disadvantaged students in our school district. While clearing out your clutter this Spring, if you happen to come across an instrument that has just been collecting dust, please consider donating it to the Williamsville Band Program. Your generous donation could make a difference in a child's education and even inspire a life-long passion for music. In addition, the band will provide documentation to assure that your donation will be tax deductible (please consult your tax advisor). Your donation will also help ensure the long-term success of our band programs at WJHS and WHS. If you don't have an instrument to donate, but would still like to help, you may make a monetary donation to help cover the cost of refurbishing used instruments. For more information, please contact our Band Director, Mr. Muskopf at 566-3361 or email at muskopf@wcusd15.org.

Does your instrument have a story? Did you play it in your high school band or after? Was it handed down to you by a family member? We would love to hear your story. Please share it by including it with your donation or by email.

With Gratitude,

A handwritten signature in black ink that reads "Kyle Muskopf".
