

Kindergarten Screening and Registration for the 2019-2020 School Year

When will it happen?: *March 28th from 3:00 to 6:00 and on March 29th from 12:00 to 3:30 by appointment only using this [link](#). Please put your student's name in the comment section. The appointments are 15 minutes each but you should be prepared to be at SES for 30-45 minutes total.*

Where will the screenings happen?

All of the screenings will take place at Sherman Elementary School located at 312 South Street in Sherman, Illinois. Parents should utilize the parking lot to the west of the school.

Why is SES doing a screening and registration?

We want to get an accurate picture of your child's kindergarten readiness skills.

What do I need to bring and what can I expect when I get to SES?

Parents will need to bring an official birth certificate and provide proof of residency. Information about providing this documentation can be accessed using this [link](#).

What can I expect when I get to SES?

You and your child will be checked in at the main desk. A waiting room will be provided in the library for you and your child. A staff member will help you and your student to a kindergarten classroom where a staff member will assess your child on kindergarten readiness skills. After the screening, SES administration will verify your paperwork and provide follow up information.

What if I can't make it to the screening dates?

Please contact the SES office at 217-496-2021.
